

OUR CORE SERVICES

 <p>HOME CARE</p>	<p>Home Care encompasses a range of services from housekeeping to advanced nursing. Integrity partners with you and your family to design a care plan that addresses every area of necessity, and adjusts to plan if your needs, health or circumstances change.</p>
 <p>HOSPICE</p>	<p>Hospice is a concept of care for the terminally ill that affirms life and focuses on filling your time, and your family's time, with quality moments. Our team of interdisciplinary specialists create a holistic care experience as you near the end of your journey, and provide on-going support for your family.</p>
 <p>HOME HEALTH</p>	<p>Home Health provides you with short-term, one-on-one care after hospitalization, injury, illness or surgery. This service can complement longer-term home care services, aid in transitioning from a facility to ensure safety, improve function and prevent re-hospitalization.</p>
 <p>CONSUMER DIRECTED SERVICES</p>	<p>CDS stands for Consumer Directed Services which is a Missouri Medicaid program that is authorized through the Department of Health and Senior Services (DHSS). This program will provide compensation to a loved one who is caring for you at home as long as that loved one is not a spouse.</p>

Additional services

<p>Care Navigation</p>	<p>Some needs are more complicated than others. Clinical Care Navigation assigns a designated RN to step in to coordinate care in the case of: multiple chronic illnesses, a terminal diagnosis, or multiple hospitalizations.</p>
<p>Nursing Services</p>	<p>Hourly nursing care is designed to help you manage complex medical needs or conditions. A nurse will provide continuous care in shifts from 2 up to 24 hours a day, 7 days a week. If hourly nursing is too much, intermittent nurse visits can also be provided in addition to any other home care service, or on their own.</p>
<p>Medication Management</p>	<p>The importance of getting the right medication at the right time, each time, can't be stressed enough. CarePak dispenses pre-sorted packages, clearly marked with date and time to be taken.</p>
<p>Lifeline</p>	<p>For many people living alone, the fear of falling or becoming unable to reach for help is paralyzing. Lifeline enables individuals to live life with confidence.</p>
